The link has also been posted on Facebook. If you do not have internet access, hard copies of this report are available at the town hall. Thanks goes out to all that participated in the survey. This info will help us better serve you. We would really like to encourage groups and organizations to read the results as well.

Speaking of Charities, Organizations, and Businesses.....have you checked your listing on the town of Oxford's website? Have you ever heard of The Helping Tree? The helping tree is a list of "helping" organizations located all throughout Cumberland County. Copies are available at the town office or on the Town of Oxford website. Lots of great information for sure.

As I sign off I would like to take this opportunity to wish you all the very best in the year to come. To all of you I wish a happy, healthy and prosperous 2018.

Mayor Trish
