## Mayors Corner

September

As I write this month's notes to you all, our community has been faced with two major challenges. Our school and Lions Park.

Regarding OREC and its masonry issues, I want to ensure everyone that your Mayor and your Council are completely supportive in the search for answers, and to find a solution that works best for everyone involved. It is very frustrating that our municipal government has no control or input into Provincial government decisions. With that said, we support efforts to try and keep our children safe, happy, and in a learning environment.

With respect to the sinkhole at the Lions Park, Mother Nature is not being kind to us, and as I write this, I have no idea when she will finish. I do want to assure you that we have the very best professionals working for the Lions and the Town. We have full confidence in their abilities. This sinkhole episode has been devastating to our Lions Club. The years and years of the Lions fundraising efforts, the blood, sweat, and tears put into the park is a tragic loss. I am asking all of you do a favor for me. The next time you see a Lion, thank them. We need to stand together, support each other, and when all is said and done, come together with a game plan.

Ok, now for some fun stuff. Eleanor Crowley has been up to her old tricks and feels that a community feast is in order. I couldn't agree more! On Saturday, September 15<sup>th</sup> we will be having a community roast beef dinner, to be held outdoors! There are only 100 tickets available at \$15 each. Stay tuned for posters around town that will give you more information.

Town residents should have recently reviewed in their mail boxes the Town of Oxford Waste Reduction Guide. There are some important changes in how we will be sorting our garbage. This is to ensure we meet Nova Scotia guidelines. Please take the time to review this because as of December 1, 2018 it will become mandatory for all residents. On a personal note, I know how embarrassing it is to have your garbage rejected.

Until next time ...

Mayor Trish
