Mayors Corner July, 2018

It looks as though July will be a very busy month for Oxford. Starting on July 1st with local Canada Day celebrations. Join us at Oxford Heritage Square at 11am with the singing of "O Canada" by two talented local young singers. The party will run until 2:00pm. There will be lots of children's activities, music, a free BBQ as well as CAKE! All are welcome, and please remember to bring a chair.

Saturday, July 28th will mark a very special occasion for Oxford Frozen Foods. It will be 50 years that this company has originated in our town and Cumberland County. I truly believe that without the hard work of John Bragg and his company, our Oxford wouldn't be what it is today. A thriving rural community.

It is a time to celebrate!

I hope you can take part in the celebration at Oxford Heritage Square at 2:00pm on that day as well. The Town of Oxford will be hosting the "Kilted Chef", Alain Bosse for a take on how to bring out the best in Blueberries.....Cumberland County style. There may also be some other surprise guests that day.

At dusk on the 28th, go outside and take in the sights. OFF is having in celebration of the 50 years of incorporation to share with the community. Rumor said that this will happen at the ball field. Don't miss out, it will be spectacular!
Until next time....

Mayor Trish

P.S. Many things happening for Oxford August Blueberry Fest, stay tuned for next month's calendar.
