

Main Street – Post Office Parking

Residents are advised that street parking on Main Street across from the Post Office will be changing.

For traffic and public safety reasons, the north side of Main Street, directly opposite from the Post Office, will be designated as “No Parking, Monday to Friday, 8 am – 5 pm”. Vehicles will be allowed to park on the north side outside of that zone at any time.

Watch for the new signs that are coming!!

New signage will be posted and the RCMP will assist in enforcing the area. Vehicles will still be able to park directly in front of the Post Office on the south side of Main Street, as marked.

These changes are to ensure sufficient lane width for two-way traffic and to accommodate the large truck traffic that regularly travels through that area.

The Town appreciates everyone’s cooperation to ensure that vehicles and pedestrians are working together for the safety of our community.
